

IMPORTANT!

Check entire boxes and inside all packing materials for parts. Before beginning assembly, read the instructions and identify parts using the figures and parts listed in this document. It is critical that all parts be carefully inspected by the installer prior to installation to ensure that no damage occurred in transit and that a damaged part is not used. Proper installation cannot be overstressed, as an improper installation voids Meta-Fab's warranty and may affect the safety of the user.

WARNING!

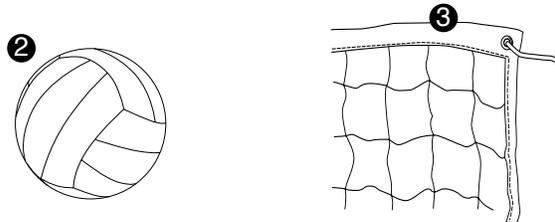

- Intended for shallow water depths only.
- Please remove articles such as jewelry before playing to prevent getting caught in the net.

INCLUDED ITEMS:

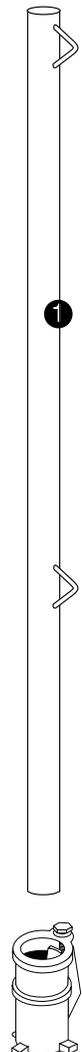

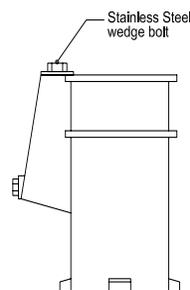

- ❶ (2) Stainless Steel Volleyball Posts
- ❷ (1) Volleyball
- ❸ (1) Net

INSTRUCTIONS:

1. Volleyball posts are to be anchored in the deck using 6-inch deep bronze anchor sockets. Install anchors in the pool deck at a location where the game will be played in shallow water depths. Bond anchors as required.
2. Space volleyball posts 2 to 4 feet wider than the overall net length you will be selecting. (Nets are available in 15 ft., 18 ft., and 21 ft. lengths by mailing in the Volleyball Net Order Form)
3. Place the volleyball posts into the anchors. Attach the volleyball net to the eyebolts of the volleyball posts. Ensure any loose rope from the net is properly secured so as to not provide a hazard.

ANCHOR SYSTEM
NOT INCLUDED. MUST
ORDER SEPARATELY.
Refer to Poolcorp Model
PS-4019-A 4" Anchor.
